DECISION

This is in response to applicant's "Renewed Petition Under 37 C.F.R. 1.47(b)" filed 19 March 2007.

BACKGROUND

On 29 January 2004, applicant filed international application PCT/AU2004/000098, which claimed priority of an earlier Australia application filed 31 January 2003. A copy of the international application was communicated to the USPTO from the International Bureau on 12 August 2004. The thirty-month period for paying the basic national fee in the United States expired on 01 August 2005 (31 July 2005 was a Sunday).

On 01 August 2005, applicant filed national stage papers in the United States Designated/Elected Office (DO/EO/US). The submission was accompanied by, *inter alia*, the basic national fee required by 35 U.S.C. 371(c)(1).

On 05 June 2006, the DO/EO/US mailed a Notification of Missing Requirements Under 35 U.S.C. 371 (Form PCT/DO/EO/905), which indicated that an oath or declaration in compliance with 37 CFR 1.497 must be filed.

On 09 January 2007, applicant filed a petition under 37 CFR 1.47(b).

On 24 January 2007, this Office mailed a decision dismissing the 09 January 2007 petition.

On 19 March 2007, applicant filed the present renewed petition under 37 CFR 1.47(b) along with an executed declaration.

DISCUSSION

Although the submission of a declaration by the previously nonsigning inventors would normally be a proper response to the decision mailed 24 January 2007, the declaration filed with the renewed petition is improper. Specifically, it is not acceptable to combine pages of separate declarations into a composite document. Applicant must submit either: (1) a single complete declaration which is presented to and executed by both of the inventors or (2) two complete declarations, each of which is presented to and executed by at least one of the inventors.

CONCLUSION

For the reasons above, the renewed petition under 37 CFR 1.47(b) is DISMISSED without prejudice.

If reconsideration on the merits of this petition is desired, a proper response must be filed within TWO (2) MONTHS from the mail date of this decision. Failure to timely file a proper response will result in ABANDONMENT of the application. Extensions of time under 37 CFR 1.136(a) are available. Any reconsideration request should include a cover letter entitled "Renewed Petition Under 37 CFR 1.47(b)." No additional petition fee is required.
